RESPONSE TO AUGUST 25 OFFICE ACTION

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Office Action mailed on August 25, 2006 was issued to address a typographical error made in the June 8, 2006 Office Action. In particular, the August 25 Office Action notes that the patent cited in the June 8 Office Action as "U.S. Patent No. 6,667,185 to Chin" was in error, and should have been "U.S. Patent No. 6,677,185 to Chin" (i.e., June Office Action provides incorrect patent number). Applicant is grateful for this clarification. The August 25 Office Action is otherwise a duplicate of the June 8 Office Action and cites the same references in making the same rejections as were made in the June 8 Office Action.

Applicant previously filed Amendment E on September 7, 2006 in response to the June 8 Office Action. In Amendment E, Applicant correctly identified U.S. Patent No. 6,677,185 to Chin. The correct patent number was discovered through searching for patents issued to Chin including the cited disclosure. Accordingly, Amendment E as filed on September 7, 2006 is responsive not only to the June 8 Office Action, but also to the August 25 Office Action. No further response to the August 25 Office Action is necessary. A courtesy copy of Amendment E as filed on September 7 is provided herewith, including a copy of a §1.132 Declaration and the PTO stamped return receipt postcard.

Should further clarification be required, or if the Examiner has any questions that can be resolved over the phone, the undersigned attorney requests the favor of a phone conference. Correspondence in this matter should continue to be directed to Ms. Lisa Soltis at her correspondence address of record of ITW Corp, Glenview, Illinois.

Respectfully submitted,

GREER, BURNS & CRAIN, LTD.
